Halifax Regional Council
March 25, 2025

TO: Mayor Fillmore and Members of Halifax Regional Council

FROM: Brian MacDonald, Chair, Heritage Advisory Committee

DATE: March 12, 2025

SUBJECT: **H00582: 2025/2026 Heritage Incentive Program**

ORIGIN

March 12, 2025 meeting of Heritage Advisory Committee, Item 9.1.1.

RECOMMENDATION

The Heritage Advisory Committee recommends that Halifax Regional Council

1. Approve the proposed grants to the properties listed in Attachment A of the staff report dated February 10, 2025, conditional upon the applicants' compliance with Sections 29 through 35 of Administrative Order Number 2014-002-ADM and subject to the approval of the proposed 2025/2026 budget.
2. Approve the reallocation of excess funds to the standby list properties in Attachment B of the staff report dated February 10, 2025 if an approved project in Attachment A does not proceed or incurs expenses below the estimated amount, conditional upon the applicants' compliance with Sections 29 through 35 of Administrative Order Number 2014-002-ADM and subject to the approval of the proposed 2025/2026 budget.

BACKGROUND

At the March 12, 2025 meeting, the Heritage Advisory Committee received a staff recommendation report dated February 10, 2025 to consider the approval of grants for properties as listed in the staff report.

Item No. 9.1.1
Heritage Advisory Committee
March 12, 2025

TO: Chair and Members of Heritage Advisory Committee

FROM: Jacqueline Hamilton, Executive Director of Planning and Development

DATE: February 10, 2025

SUBJECT: **H00582: 2025/2026 Heritage Incentive Program**

ORIGIN

Regional Council approved Administrative Order Number 2014-002-ADM Respecting the Heritage Incentives Program on April 1, 2014. Applications for financial assistance through the Heritage Incentives Program are accepted annually from September 1 to December 1.

EXECUTIVE SUMMARY

- 2025/2026 Heritage Incentive Program received 39 eligible applications.
- The 2025/2026 Heritage Incentive Program budget is \$350,000.
- The cumulative value of grant requests for eligible residential applications is \$242,439.74 while the cumulative value of grant requests for eligible commercial applications is \$242,337.50.
- Recommend approval of all eligible residential applications and partially eligible commercial applications listed in Attachment A, based on the priorities criteria.
- Applications not selected for funding are recommended for inclusion on a standby list.
- The total amount of all recommended grants is \$349,789.74.

RECOMMENDATION

It is recommended that the Heritage Advisory Committee recommend that Regional Council:

1. Approve the proposed grants to the properties listed in Attachment A, conditional upon the applicants' compliance with Sections 29 through 35 of Administrative Order Number 2014-002-ADM and subject to the approval of the proposed 2025/2026 budget.
2. Approve the reallocation of excess funds to the standby list properties in Attachment B if an approved project in Attachment A does not proceed or incurs expenses below the estimated amount, conditional upon the applicants' compliance with Sections 29 through 35 of Administrative Order Number 2014-002-ADM and subject to the approval of the proposed 2025/2026 budget.

BACKGROUND

The Heritage Property Program supports the conservation, preservation and restoration of municipally registered heritage properties located throughout the Halifax Regional Municipality. One of the tools that the Program uses to achieve these goals is annual grant funding through the Heritage Incentives Program. This Program was approved by Regional Council on April 1, 2014, through Administrative Order Number 2014-002-ADM Respecting the Heritage Incentives Program (Attachment C). It provides matching grants for eligible exterior conservation work, up to a maximum of \$15,000 for residential properties and a maximum of \$25,000 for commercial properties.

DISCUSSION

Applications for the 2025/2026 Heritage Incentives Program were accepted from September 1 to December 1, 2024. Staff received and reviewed 45 applications as follows.

- 39 applications met the program's eligibility criteria.
- 5 applications do not meet the program's eligibility requirements; and
- 1 application was withdrawn by the applicant.

Under the terms of the administrative order, and for the purpose of procedural fairness, late applications cannot be accepted or considered.

Of the eligible 39 applications, 17 applications are associated with commercial properties and 22 applications are associated with residential properties. As per section 5 of the administrative order, 25 percent of the annual heritage incentive budget is allocated to applications related to commercial heritage properties. The anticipated 2025/2026 operating budget for Cost Centre C340 - Heritage and Planning Information Services is \$350,000. As a result, the available grant budget for commercial heritage properties is \$87,500 and the budget for residential heritage properties is \$ 262,500. The cumulative value of grant requests for eligible residential applications is \$242,439.74. It is recommended that Regional Council approve all residential applications, leaving a remaining budget of \$107,560.26 to be allocated toward commercial properties. The cumulative value of grant requests for eligible commercial applications is \$242,337.50, exceeding the allocated budget. As a result, not all commercial applications can be funded.

**For the purpose of the incentive program, the boundary between Halifax North and South End is delineated by Quinpool Road and Cogswell Street. The "Remainder of Halifax" comprises the rest of the former City of Halifax excluding the peninsula, and Dartmouth comprises the entire former City of Dartmouth.*

***Character defining elements (CDEs) may include masonry, windows, cladding, doors, porches, trim, etc.*

Table 1 is the evaluation system developed based on the criteria listed in section 21 of the administrative order, for the purpose of prioritizing applications. All 39 eligible applications were evaluated and scored using the Evaluation System listed in Table 1. Grant recipients for commercial applications were determined based on evaluation scores and submission times.

- Applications 26-005 and 26-019 achieved the highest scores among all commercial applications.
- Applications 26-015 and 26-033 to 26-045 scored equally at 10 points. Application 26-015 was prioritized due to an earlier submission.
- Applications 26-033 to 26-045 were submitted by the same applicant, who agreed to receive grants for applications 26-041, 26-042 and 26-043.

The recommended grant recipients and the recommended grant amount are listed in Attachment A. The total amount of all recommended grants is \$349,789.74. Applications not selected for funding are recommended for inclusion on a standby list. If an approved project does not proceed or incurs expenses below the estimated amount, excess funds will be reallocated to standby list properties. Attachment B is the standby list of grant recipients and the recommended grant amount. The total amount of all standby grants is \$134,987.50. All applications must comply with the provisions of Administrative Order 2014-002-ADM (Attachment C).

Attachment D provides additional information regarding the properties and proposed projects for each of the eligible applications. Successful applicants will not be notified, and grants will not be paid until Regional Council approves the 2025 / 2026 budget.

FINANCIAL IMPLICATIONS

The proposed 2025/2026 operating budget for cost centre C340 – Heritage and Planning Information Services is \$350,000 which will cover the recommended grant approval of \$349,789.74 for the 2025/2026 Heritage Incentives Program.

As the proposed funding for the Heritage Incentives Program must be approved by Regional Council, no grants will be paid until the 2025/2026 budget is approved.

RISK CONSIDERATION

There are no significant risks associated with the recommendations contained within this report.

COMMUNITY ENGAGEMENT

The administration of the Heritage Incentives Program is an administrative process that is carried out in accordance with Administrative Order 2014-002-ADM. Community engagement occurs by way of this staff report being presented to the Heritage Advisory Committee, where interested members of the public can attend.

ENVIRONMENTAL IMPLICATIONS

No environmental implications were identified.

ALTERNATIVES

- 1) It is recommended that Heritage Advisory Committee recommend to Regional Council that some of the applications listed in Attachments A and B be approved.
- 2) It is recommended that Heritage Advisory Committee recommend to Regional Council that all applications listed in Attachments A and B be rejected. This is not the recommended course of action.

LEGISLATIVE AUTHORITY

Heritage Property Act, R.S.N.S., 1989, c. 199, section 22:

“Financial Assistance

22(1) The Minister, subject to the approval of the Governor in Council, may provide financial assistance in respect of provincial heritage property and the council may provide financial assistance in respect of municipal heritage property or property located in a heritage conservation district to any person to assist in the restoration or renovation of such property upon such terms and conditions as the Minister or the council, as the case may be, deems fit.”

HALIFAX REGIONAL MUNICIPALITY
ADMINISTRATIVE ORDER NUMBER 2014-002-ADM
RESPECTING THE HERITAGE INCENTIVES PROGRAM

WHEREAS pursuant to *Heritage Property Act*, R.S.N.S. 1989, c. 199, the Council of the Halifax Regional Municipality may provide financial assistance in respect of municipal heritage property to any person to assist in the restoration or renovation of such property upon such terms and conditions as the Council deems fit;

BE IT RESOLVED AS AN ADMINISTRATIVE ORDER of the Council of the Halifax Regional Municipality as follows:

Short Title

1. This Administrative Order may be cited as Administrative Order Number 2014-002-ADM, the Heritage Incentives Program Administrative Order.

Purpose

2. To encourage the conservation of privately-owned, municipally registered heritage properties used for residential or commercial purposes. Within the limits of the annual approved budget, the Heritage Incentives Program provides matching grants of up to \$15,000 for eligible exterior conservation work on residential properties and up to \$25,000 for eligible exterior conservation work on commercial properties.

Interpretation

3. For the purposes of this Administrative Order, “municipally registered heritage property” has the same meaning as “municipal heritage property” in the *Heritage Property Act*, R.S.N.S. 1989, c. 199.

Financial Assistance Available

4. The Heritage Incentives Program operates on the Municipality’s fiscal year, from April 1st to March 31st.
5. Twenty-five per cent (25%) of the annual heritage incentives budget is allocated to applications relating to commercial heritage properties. This is a proportionate allocation based on the fact that commercial buildings make up 25% of the HRM heritage registry. Any funds not used for commercial properties will be made available to residential applications.
6. Financial assistance is awarded on a 50% cost-sharing basis, exclusive of HST.
7. The maximum annual amount of financial assistance per property is \$15,000 for residential properties and \$25,000 for commercial properties.
8. The minimum annual amount of financial assistance per property is \$500.00.
9. Each property is limited to one application for financial assistance per year, and two

successful applications in any four year period.

Application Requirements

10. There is one intake period per fiscal year. Applications will be accepted between September 1st and December 1st or the following fiscal year.
11. All applications must be received by mail or in person. E-mailed or faxed applications will not be accepted. The address for submission of applications will be posted on www.halifax.ca prior to September 1st of each year.
12. Applications must include:
 - (a) a completed application form;
 - (b) recent photographs of all sides of the building, with close-ups of the areas of work for which the grant is applied;
 - (c) two contractor estimates for the proposed work; and
 - (d) where the applicant is a condominium corporation, a copy of the board of director minutes approving the submission of the grant application.
13. Late or incomplete applications will not be reviewed or considered.

Eligible Property

14. Only eligible property will be considered for financial assistance.
15. An eligible property must be:
 - (a) a privately-owned, registered municipal heritage property within HRM; and
 - (b) in use for residential or commercial purposes.
16. A property is not eligible for financial assistance if the property is currently under investigation or prosecution for land-use, Building Code, Fire Code, or Heritage Property Act violations, or is subject to an order to comply under any Act or By-law, or has any liens or property taxes outstanding.

Work & Materials Eligible for Financial Assistance

17. Projects which restore exterior architectural elements significant to the heritage value of the registered heritage property, including any of the following, are eligible for financial assistance:
 - (a) ***Preservation*** of existing exterior architectural elements. This includes, for example, repair of deteriorated windows and doors, cladding, roofing, foundation, cornices, moldings, architectural trim, and other significant features.
 - (b) ***Replacement*** of existing exterior architectural elements that still exist but which are beyond preservation or repair. This includes replacement in kind of deteriorated doors and windows, cladding, roofing, cornices, moldings, architectural trim, and other significant features, using accurate reconstruction and materials, sizes, and configurations that match the original.

- (c) **Restoration** of exterior architectural elements which have been lost but for which the appearance can be clearly determined from physical evidence or documentary sources such as historic drawings or photographs.
 - (d) **Painting** in colours appropriate to the period of the heritage property. Generally, colours from the heritage palette of the major paint manufacturers are preferred.
 - (e) **Preservation/restoration of historic outbuildings or landscape features**, such as fences, walls or gates which form part of the original, documented heritage value of the property.
18. To be eligible, projects must use traditional materials (wood, stone, brick, etc.) and traditional designs.

Work & Materials Ineligible for Financial Assistance

19. The following work and materials are ineligible for financial assistance:
- (a) work that has been commenced or completed prior to submission of the application;
 - (b) modern materials such as vinyl or aluminum clad windows, steel doors, vinyl siding, or Exterior Insulation Finishing System cladding;
 - (c) short-term, routine maintenance including minor repairs;
 - (d) poor or defective work; or
 - (e) labour undertaken by the owner.

Project Evaluation and Prioritization

20. Projects will be evaluated using HRM *Heritage Building Conservation Standards* as adopted by By-law H-200, or any other guidelines for the conservation of heritage properties that may be adopted by By-law H-200 from time to time.
21. The following criteria will be used to prioritize applications:
- (a) Preference given to first-time applications.
 - (b) Higher priority will be given to preservation and restoration of historic structural and weatherproofing elements than to cosmetic improvements, e.g., restoration of cladding, windows, doors, or roof has greater priority than painting.
 - (c) Preference will be given to restoration of publicly visible features, e.g., an application for restoration of a front porch would have higher priority than a back porch restoration.
 - (d) Balance will be sought between applications from different parts of HRM, e.g., Halifax South End, Halifax North End, Dartmouth, Bedford, South-Western shore, Eastern Shore, etc.
 - (e) Preference will be given to applications supported by a Building Conservation Plan prepared by an architect, building inspector, engineer, or other qualified restoration

professional. The Building Conservation Plan shall be a drawing or report which reasonably illustrates all work required for the building.

- (f) Preference will be given to an applicant who:
 - (i) was approved for the same scope of work the previous year;
 - (ii) did not commence the approved work; and
 - (ii) notified the heritage planner of the intent to forfeit the grant prior to July 1 in the year it was approved.

Application Review Process

- 22. All applications will be screened by staff for basic eligibility as they are received. Applicants will be notified promptly if their application is ineligible.
- 23. Eligible applications will be evaluated and prioritized by staff and a report and recommendations will be prepared for consideration by the Heritage Advisory Committee, no later than March 1st each fiscal year.
- 24. The staff report will be reviewed by the Heritage Advisory Committee for recommendation to Regional Council.
- 25. Final approval of all applications for financial assistance, and their amount, is a decision of Regional Council in its sole discretion. Regional Council may:
 - (a) approve the application;
 - (b) approve the application to be placed on a waiting list to be administered by staff in accordance with funds available in the program budget; or
 - (c) refuse the application.
- 26. Notification of the decision of Regional Council will be mailed to applicants after it is made.
- 27. Approval of financial assistance is conditional on Regional Council's approval of the annual program budget.
- 28. Due to limited funds, not all eligible applications may receive financial assistance.

Conditions of Approval & Payment of Financial Assistance

- 29. Projects must be completed within the fiscal year for which they are approved.
- 30. Financial assistance is conditional on satisfactory completion of approved work, photographic documentation of completed work, and submission of well-organized receipts and paid invoices.
- 31. Deadline for submission of receipts and paid invoices is March 1st each fiscal year. This is necessary to enable payments to be processed by end of fiscal year.
- 32. Financial assistance for projects not completed by the end of the fiscal year will be forfeited.
- 33. Financial Assistance is tied to specific approved work. Additional work beyond what is budgeted for and approved will not be funded.
- 34. The applicant shall notify HRM of any changes to the approved work prior to it being

undertaken and shall not proceed with the work without supplementary approval. The authority to give such approval is hereby delegated to the Heritage Property Planner. Approval may be sought at any time in the fiscal year for which the financial assistance was approved, but must be sought prior to the submission of receipts and paid invoices. Work that deviates from the approved work without a supplementary approval may not be eligible for funding and, at the discretion of HRM, such funding may be withheld and re-allocated to another heritage property.

35. For projects which result in cumulative financial assistance of \$10,000.00 or more, no funds shall be paid until the applicant has signed an *Agreement to Waive Section 18 of the Heritage Property Act* and filed the agreement, at their cost, at the Registry of Deeds. Under the agreement, which runs with the property, the applicant agrees not to demolish or alter the exterior appearance of the property in any manner without the written consent of HRM and expressly waives its rights under section 18 of the Heritage Property Act for ten (10) years from the date of the agreement. Waivers must be filed at the Registry of Deeds within 6 months after the end of the fiscal year in which the financial assistance has been approved: failure to do so will result in forfeiture of funds.

Scope

36. Nothing in this Administrative Order shall be interpreted to limit or otherwise prescribe Council's general discretion to provide financial assistance under the *Heritage Property Act* or otherwise.

Effective Date

37. This Administrative Order comes into force beginning with applications for the 2015-16 fiscal year.

Done and passed in Council this 1st day of April, A.D. 2014.
