Your Worship,

This coming month of June, the Halifax Wanderers will be hosting local members of our Defence Team in its annual Department of National Defence (DND) Appreciation Game. This annual event brings awareness to the Canadian Armed Forces (CAF) and the DND and provides opportunities for the Wanderers to fundraise in support of military families through the Halifax Military Family Resource Center. This event will include a fly past by one or more Royal Canadian Air Force (RCAF) aircraft, pending availability during its ceremonial coin toss.

In preparation for the fly past by the RCAF, it is requested that the Halifax Regional Municipality (HRM) grant permission for the CAF to fly RCAF assets in formation over Wanderers Grounds as per the enclosed diagram (routed from north northeast to south southwest, flying over the Commons/Citadel Hill) originating from over the harbour flying towards the playing field), at an altitude of 500 feet above the highest obstacles. This event will occur at for 4:04 pm on Saturday 21 June 2025.

Subject to the city's authorization, CAF will execute in a timely manner the release of Notice to Airmen messages and public advisories of the over-flight activity.

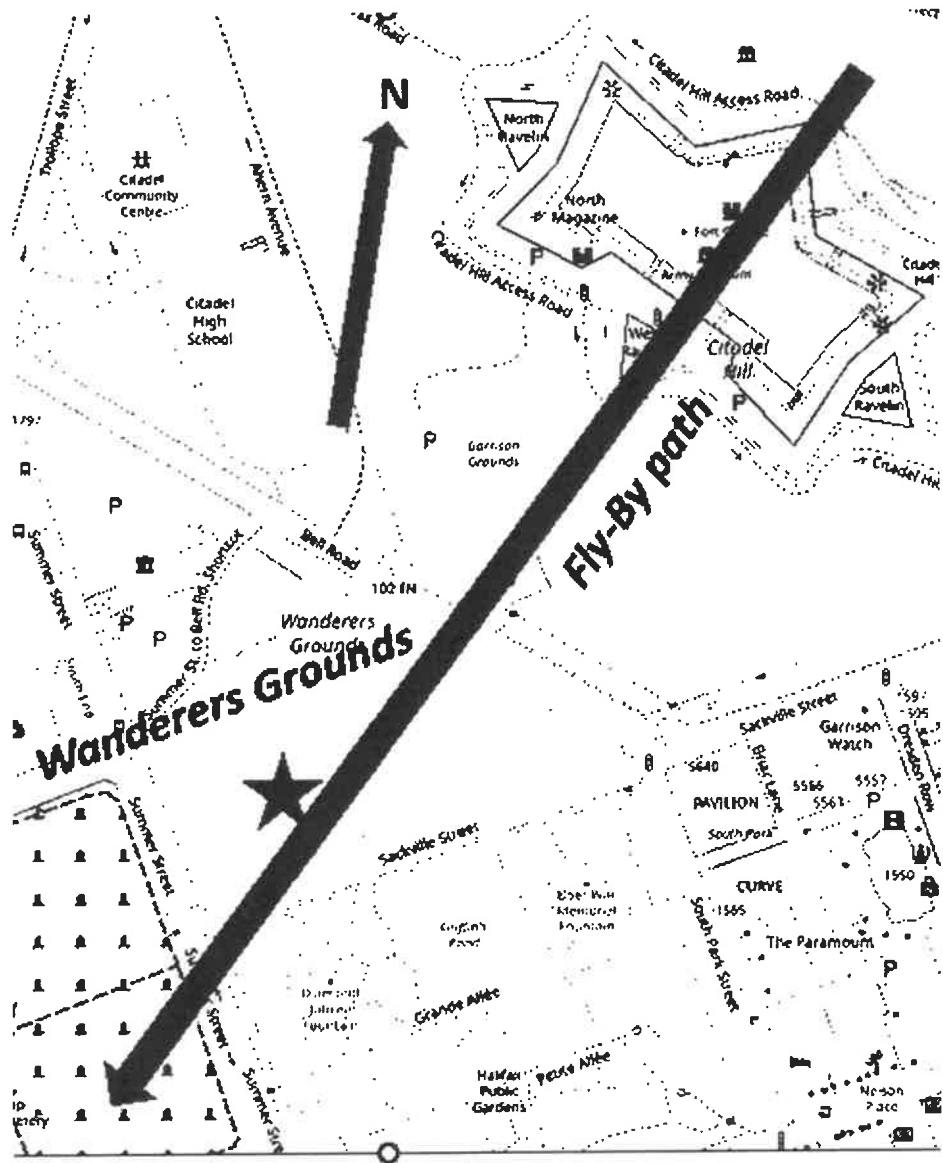

The continued support of the HRM to this annual event is very much appreciated. Should you have any questions, please do not hesitate to contact our Base Events and Outreach Coordinator Joseph Abando at [REDACTED]

Yours Ave,
