Subject: Downtown Halifax Vision 2030		
Motion for Council to Consider: That Halifax Regional Council direct the Chief Administrative Officer (CAO) to provide a staff report that includes an assessment of the Halifax Downtown Business Commission's <i>Downtown Halifax Vision 2030</i> plan to determine how it aligns with current Municipal priorities. The staff report should also include an implementation plan along with an accountability structure to help guide the completion of the Municipal components of the plan.		
Reason: Downtown Halifax is both a neighbourhood and a destination for HRM residents, all Nova Scotians and tourists from around the world. The Vision 2030 plan was developed by hundreds of stakeholders who want to see our downtown thrive, for the benefit of all HRM residents. Implementing the vision will add to our collective quality of life and benefit residents and HRM economically as well.		
Outcome Sought: A staff report that evaluates the Downtown Halifax Business Commission's <i>Downtown Halifax Vision 2030</i> plan and how it aligns with current Municipal priorities. The staff report should also include an implementation plan and accountability structure for the Municipal portion of the Vision 2030 plan to ensure that HRM is completing its components of the plan.
