Date of Council Meeting: May 27, 2025		
Subject: New Timberlea School		
Motion for Council to Consider: That Halifax Regional Council direct the Chief Administrative Officer (CAO) to provide a staff report, relative to the new school being planned on Maple Grove Avenue and Amalfi Way in Timberlea, that identifies: a) opportunities and recommendations for municipal recreation enhancements; and b) infrastructure such as sidewalks that may be necessary to support the school, and prospective funding and timing from the province and/or municipality for the installation of such services.		
Reason: a. Residents feels the addition of an outdoor walking track would support wellness in the community. b. Discussions are currently underway between HRM and the Province on planning for the new school and now is the time build in community safety supports.		
Outcome Sought: Report identifying any opportunities for recreation enhancements and the inclusion of sidewalks or multiuse pathways in school planning and design.
