Item No. 15.1.3
Halifax Regional Council
June 24, 2025

TO: Mayor Fillmore and Members of Halifax Regional Council

FROM: Cathie O'Toole, Chief Administrative Officer

DATE: April 3, 2025

SUBJECT: CA143: Street Naming from January 1 2025 to March 31 2025

ORIGIN

Street naming requests submitted through new subdivision applications and development permits from January 1, 2025 to March 31, 2025.

EXECUTIVE SUMMARY

This report contains street names submitted from January 1 2025 to March 31 2025, both for private roads and public streets. It is recommended that Regional Council approve these street names and approve amendments to schedule C of Administrative Order 29 to include these new streets.

Each of these street names have been reviewed by staff and have been determined to meet HRM's street naming policies. Street naming is an essential component of HRM's civic addressing assignment procedures. There are no risks in the approval of the street naming proposed in this report.

RECOMMENDATION

It is recommended that Halifax Regional Council adopt the proposed amendments to Administrative Order 29, Respecting Civic Addressing Policies as set out in Attachment A of this report to approve:

1. The naming of 10 private roads; and
2. The naming of 2 public streets.

BACKGROUND

The Civic Addressing By-law (C-300) requires that all names must be approved in accordance with the Civic Addressing Policy (the "Policy"). Schedule A of the Policy (attached as Attachment B to this report) contains the guidelines that must be followed for all new street or road names. Names are required for those streets or roads which are submitted through the subdivision or permitting process for new public streets and new private lanes.

The Civic Addressing By-law (the By-law) defines a private road as "any street, road or travel way, which serves three or more structures or facilities and is not owned by Halifax Regional Municipality or the

Province of Nova Scotia". Therefore, all private roads providing access to three or more structures or facilities must be named. The By-law also states that the owner of a private road shall obtain approval from the Civic Addressing Coordinator of the name to be assigned to the private road or request the Civic Addressing Coordinator to assign a name. All private road names contained within this report decided upon in collaboration with the property owner(s).

DISCUSSION

Proposed Street Naming

The following street names have been reviewed in keeping with HRM's Civic Addressing Policies and By-law and staff advise that all the proposed names are consistent with the Policies and By-law. Therefore, it is recommended that Regional Council approve all names, as contained in Attachment A.

1. Private Lane Naming

As per section 3(h) of the Civic Addressing By-law a private road must have at least three (3) addresses assigned to these lanes. In accordance with the By-law, any lane providing access to three or more civic addresses shall be named and any existing civic numbers will be adjusted accordingly.

Periwinkle Dr	Enfield	Subdivision Application	7
Petal Lane	Whites Lake	Development Permit	8
Rosno Lane	Bedford	Development Permit	9

2. Public Street Naming

Public street names which are privately developed are proposed by a Developer and reviewed by HRM Civic Addressing staff to ensure compliance with the Civic Addressing policies. The *HRM Charter* allows for Regional Council to name any public street in accordance with the Civic Addressing Policies.

FINANCIAL IMPLICATIONS

The costs associated with the Administration of the Civic Addressing By-law and Administrative Order 29 can be accommodated within the 2025/26 operating budget for Planning and Development.

RISK CONSIDERATION

There are no risks associated with the approval of the street namings proposed in this report.

If Regional Council elects to not approve some, or all, of the street naming included in Attachment A, there will be varying degrees of impact experienced by property owners and residents. In some circumstances, properties would be required to be readdressed, and new street signage would be required to be installed. Not approving the street naming in Attachment A poses a risk of inconvenience to residents and property owners.

COMMUNITY ENGAGEMENT

The community engagement process is consistent with the intent of the HRM Community Engagement Strategy. The level of community engagement was notification and/or consultation with affected property owners in accordance with subsection 4(2) of the Civic Addressing By-law. As per the standard consultation process all relevant property owners were notified and/or consulted.

ENVIRONMENTAL IMPLICATIONS

No environmental implications were identified.

ALTERNATIVES

Regional Council may refuse to approve some, or all the street naming as contained in Attachment A. This alternative is not recommended as these street names meet the street naming criteria set out in HRM's Civic Addressing Policies contained at Schedules A and B of Administrative Order 29.
