### **SUPPLEMENTARY REPORT**

#### **ORIGIN**

January 13, 2026, meeting of Halifax Regional Council item 15.3.1:

MOVED by Mayor Fillmore, seconded by Councillor Steele

**That the matter be deferred to the next meeting of Regional Council and that staff return with amendments to By-law T-1000, T-1008, and Administrative Order 39 that exclude Transportation Network Companies (TNCs) as alternative amendments.**

**MOTION TO DEFER PUT AND PASSED UNANIMOUSLY.**

Not present: Councillor Hinch

#### **RECOMMENDATION**

It is recommended that Halifax Regional Council:

1. adopt Amending By-law T-1008, Amending By-law T-1000, the *Halifax Regional Municipality Taxi, Limousine and Transportation Network Companies By-law*, as set out in Attachment 2 to the staff report dated November 25, 2025; and

2. adopt the amendments to Administrative Order 39, the *Taxi and Limousine Regulation Administrative Order*, as set out in Attachment 4 to the staff report dated November 25, 2025.

#### **BACKGROUND**

On June 10, 2025, Halifax Regional Council adopted amendments to Administrative Order 39, the *Taxi and Limousine Regulation Administrative Order* (“the administrative order”), approving an unblended rate increase to taxi and limousine rates by approximately 12.5%, with an adjustment for the 1% HST rate reduction. Currently, the Municipality sets taxi and limousine rates through the administrative order, while still allowing for taxi and limousine operators to enter into special contracts at different rates. At the time of

approval of the rate increase, Council asked staff to return to Council with a supplementary report on modernizing how taxi and limousine rates are set by the Municipality, with emphasis on looking at options to de-regulate taxi and limousine rates to allow operators to set their own rates.

Additionally, Council asked staff to return with a supplementary report, including amendments to By-law T-1000, Respecting the Regulation of Taxis, Accessible Taxis, Limousines and Transportation Network Companies (“the by-law”), to bring the requirements for TNC Drivers in line with the requirements for taxi and limousine drivers. Currently, taxi and limousine drivers and owners must hold a valid licence issued by the Municipality to be allowed to drive or own a taxi or limousine in HRM. To obtain a licence, applicants must provide a satisfactory criminal records check, vulnerable sector check, child abuse registry check, driver’s abstract, Nova Scotia Class 4 driver’s licence, and English language test results. Vehicle owners must additionally provide proof of valid vehicle registration, vehicle inspection, and vehicle insurance. Vehicles must also meet certain requirements for age and size. While the by-law also contains requirements for TNC drivers and vehicles, the Municipality does not directly license TNC drivers and vehicles. HRM licenses the TNC, who is in turn responsible for applying the requirements of By-law T-1000 to TNC drivers and vehicles.

On December 8, 2025, the Transportation Standing Committee received a staff recommendation report dated November 25, 2025, and a presentation to consider amendments to By-law T-1008 and Administrative Order 39 to modernize fare regulations for taxis, accessible taxis, and limousines and the licensing of Transportation Network Company (TNC) drivers. The Transportation Standing Committee considered the staff report dated November 25, 2025, and approved the recommendation to Halifax Regional Council as outlined in this report.

On January 13, 2026, Halifax Regional Council made a motion to ask staff to bring back another alternative where the TNC licensing amendments recommended in staff’s report dated November 25, 2025, be removed.

For further information refer to the staff report dated November 25, 2025.

## **DISCUSSION**

This supplementary report has been prepared in response to a motion by Regional Council:

**That the matter be deferred to the next meeting of Regional Council and that staff return with amendments to By-law T-1000, T-1008, and Administrative Order 39 that exclude Transportation Network Companies (TNCs) as alternative amendments.**

This report is not intended to replace the more comprehensive analysis contained in the earlier staff report dated **November 25, 2025**, which provides full background, jurisdictional review, and community engagement. Should Council require additional detail regarding policy rationale, stakeholder feedback, or comparative regulatory models, they may wish to refer to the November 25, 2025, report.

In preparing this supplementary report, staff noted a gap in the current regulations regarding TNC driver eligibility to work if they have a conviction under the Criminal Code. To address this gap, staff have added a requirement that TNCs must remove any TNC driver who has been with the past 10 years convicted of criminal offences listed in Schedule A of By-law T-1000. This is the same requirement the by-law imposes for taxi, accessible taxi, and limousine drivers.

## **FINANCIAL IMPLICATIONS**

The potential increase in revenue generated from licensing TNC drivers as mentioned in November 25, 2025, staff report, would not be realized if the amendments were not adopted. The fee for obtaining a two-year Vehicle for Hire Driver’s Licence is \$100. At this time, it is not known how many individuals are currently

driving for TNCs who don't already hold a Vehicle for Hire Driver's licence. The licensing revenue generated is expected to be minimal.

### **RISK CONSIDERATION**

The impact of the proposed changes on the vehicle-for-hire industry is not fully known at this time. While staff have provided a recommendation based on industry feedback, jurisdictional scans, and research, a study of the economic impact of these changes is not within the scope of this report.

### **COMMUNITY ENGAGEMENT**

For further information refer to the staff report dated November 25, 2025.

### **ENVIRONMENTAL IMPLICATIONS**

No environmental implications were identified.

### **ALTERNATIVES**

1. That Halifax Regional Council:
  - (a) adopt Amending By-law T-1008, Amending By-law T-1000, the *Halifax Regional Municipality Taxi, Limousine and Transportation Network Companies By-law*, as set out in Attachment 2 to this staff report; and
  - (b) adopt the amendments to Administrative Order 39, the *Taxi and Limousine Regulation Administrative Order*, as set out in Attachment 4 to this staff report.

This alternative would have the effect of adopting changes to fare measures but would leave TNC regulations as status quo.

### **LEGISLATIVE AUTHORITY**

Motor Vehicle Act, RSNS 1989, c 293
