**Subject:** [External Email] Sackville Recommissioning - Flyby

[This email has been received from an external person or system]

Hello. On Friday, 15 May we are celebrating the 85<sup>th</sup> anniversary of Sackville's launch. The ceremony will run from 11 to about 12. We are requesting a flyby of a CH-148 from 12 Wing during the event, which requires

*1. A letter from the mayor or town council of agreeing with the flyby altitude of 500 ft (template attached). In order to seek approval for the flyby to take place as low as 500 feet, your letter must include the sentence completed below with the following information:*

*The Regional Municipality of Halifax is supportive of a flyby by RCAF Aircraft as low as 500 feet, for the HMCS Sackville Recommissioning being held at Sackville Landing for transit, practice and shows on 15 May 2026.*

If his Worship is in agreement, would you please provide a letter as defined above, including the terminology in sentence 2?

Please contact me if you have any questions or concerns.

Greg
